## Important Information for All PCA Elementary School Parents

Thank you to all of you who attended the Open House event on Thursday, September 2. You were able to appreciate firsthand the incredible amount of work our teachers and staff have done to get our new location up and ready for the 2010/2011 school year. We would like to review some of the important information we conveyed to you in the general meeting.

### Community Partners

We share the facility at 288 Cummer Avenue with Willowdale Pentecostal Church and Lifespring Church. It should be noted also that for a limited time the employees of the St. John's Rehabilitation Centre will be using the parking lot while construction is taking place at their site. This means that accessibility to parking spaces is limited. We want to cooperate with our new community by every means possible so we are asking you to please make careful note of the following:

- Please make sure that you access the parking from the westbound lane of Cummer Avenue, **making a right turn into the parking lot.**
- Proceed to the canopy (the main entrance) of the building and drop-off your children, who will go directly into the building where they will be supervised by our staff.
- Do not park your vehicle but proceed out of the lot. Our traffic attendants will direct you.
- **Make a right turn onto Cummer Avenue** and proceed west. (Please see the attached aerial photo.)
- ***JK/SK parents*** may park in the reserved spaces next to the house and take their children into the Kindergarten classroom (the house). Please avoid delay and return to your vehicle as soon as your child is in the care of the teacher. Exit the parking lot by turning west onto Cummer Ave.
- Between 3:20 pm and 4:00 pm you may park briefly and pick up your children. Again, we ask you to move quickly and safely out of the parking lot and make a right turn onto Cummer.

Thank you in advance for your cooperation in these matters.
