

# Peoples Christian Academy

August 2010

Dear SK'2010 parents:

We are excited for what the 2010/2011 school year has to offer and we are looking forward to meeting you! This letter is to notify you of some information that you need to know as your child begins SK at Peoples Christian Academy.

The first week of school brings with it many changes and sometimes some anxiety. In order to make your child's transition to school comfortable and enjoyable we have divided the class up by boys and girls.

\* **The girls will come to school on Tuesday and Wednesday, September 7-8, 2010.**

\* **The boys will come to school on Thursday and Friday, September 9-10, 2010.**

**There are no exceptions so please read and follow the directions.**

Each month you will receive a curriculum newsletter that will explain what will be happening in the classroom and will contain any other pertinent information that you may need to know.

There are also some classroom rules that have been established and need to be followed:

1. Do not enter the classroom before 8:40 a.m.
2. **Please refrain from sending peanut products of any kind to school with your child.**
3. No glass bottles are to be sent in your child's lunch. Please send a plastic, non-spillable water bottle (which can be used without removing the lid) with fresh water every day.

The Senior Kindergarten Supply List states that each child is required to bring a change of clothing (to be kept at school). Please be advised that your child's name must be on each piece of clothing. The younger children do not easily recognize their own belongings, especially after they have not looked at them for a month or more. Please send a complete change of clothing, including socks and underwear. If a child's clothing becomes wet or soiled, he/she will need clean, dry underwear and socks also. **Please do not just put the clothing in a bag with the child's name only on the bag.**

We want you to feel free to visit our classrooms at any time. However, during the month of September, due to the many adjustments that need to be made, we ask that you refrain from visiting. After September if you would like to visit, please feel free to set up an appointment and come on in.

Thank you for taking the time to read all this information. We are aware that it is a lot, but we hope that it will best prepare you and your child for September.

Enjoy your summer and we will see you soon!

Sincerely,  
Mrs. Wakefield,  
SK Teacher.

Peoples Christian Academy is committed to providing excellent Christ-centred education by partnering with families in a nurturing environment, resulting in students whose lives glorify God.
